

Matter and Change 24/7 Outline

Matter:

Mass:

Extensive vs. Intensive Properties:

Extensive:

Intensive:

Physical Property:

States of Matter:

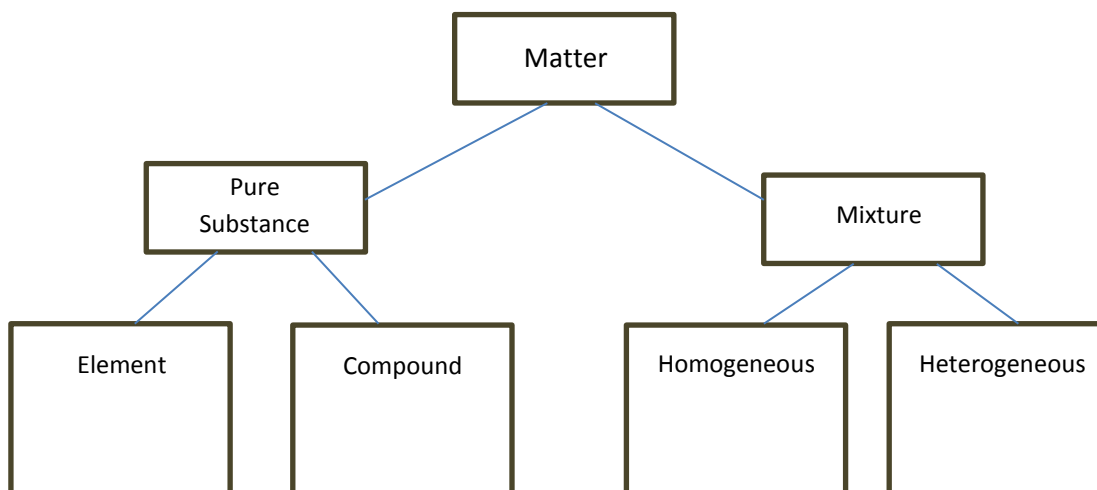

Physical Change:

Chemical Change:

Signs of a chemical change

1. Bubbling (gas)
2. Change in temperature
3. Change in color
4. Formation of a solid

Classification of Matter:

Law of Conservation of Mass:

Mass of reactants = Mass of products
